Dear Sponsor,

The *Friends of Hopkinton* and the Hopkinton Lions were the hosts of our first successful Family Fling in March on the Hopkinton Common. Now we are pleased to announce the fundraising for the fourth annual *Friends of Hopkinton* Family Day is under way! Over the years our Family Day has developed into a fantastic community day offering live entertainment, games and activities for all ages, food trucks, and fireworks. All activities with the exception of the food trucks are free for all attendees. We have begun planning this year's event which will be held on Saturday, September 17th.

Again, the success of Family Day can only be achieved with the assistance of generous donations from members of our community. Your support will assist with our goal of providing this community event that encourages and supports town spirit, enthusiasm, and pride.

The *Friends of Hopkinton* rely on the generosity of individuals and businesses like you to help make this event possible. We are asking you to consider a donation towards our 2022 Hopkinton Family Day. A sponsorship form for the event is available on our website. Help Make Family Fun Day a Community Success! Be a Sponsor!

Thank you in advance for your generosity!

Sincerely,

Friends of Hopkinton
